

Storycircling

Story Circle Activity: Pick a Topic & Build a Story

Instructions:

1. Each student will choose one story topic from the list.
2. The first student starts the story by saying the opening sentence.
3. The next student continues the story by adding the next sentence.
4. The story goes on, with each student adding one sentence, until the story reaches a natural or funny ending!
5. Be creative, listen carefully, and build on what others say!
